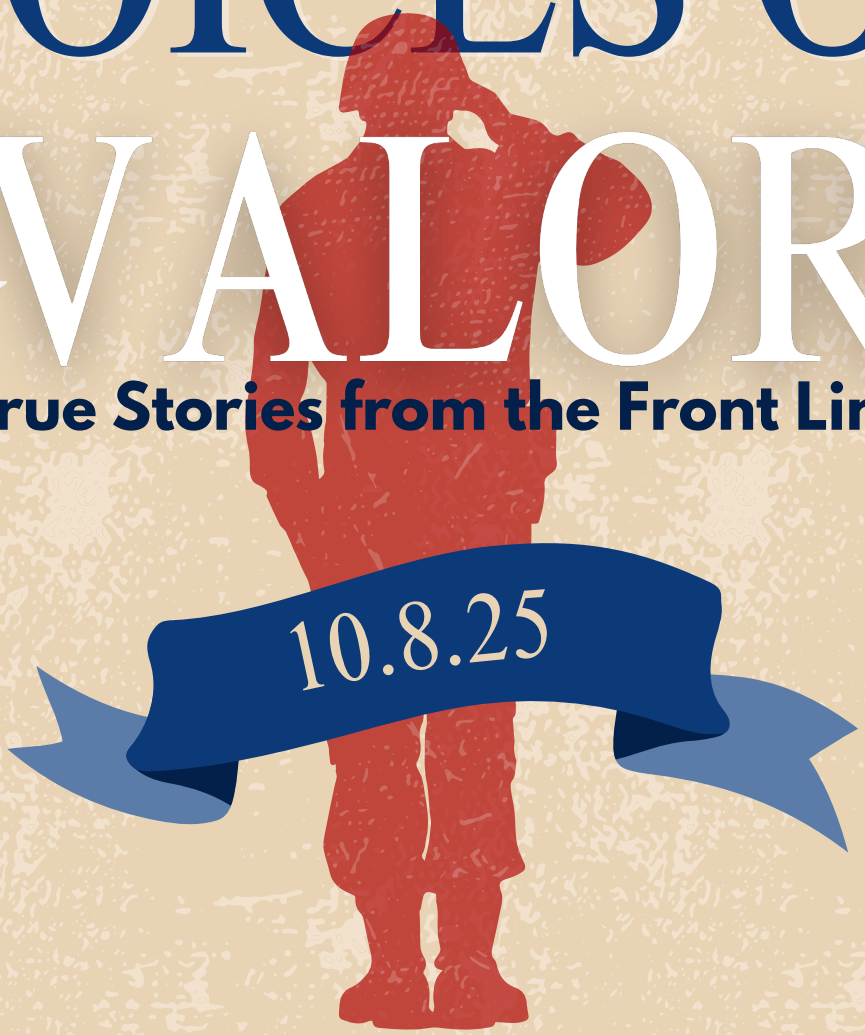
VOICES OF VALOR

True Stories from the Front Lines



Join us for a powerful and moving event as veterans share their personal experiences from serving during times of war. These are real stories—often difficult to tell and sometimes hard to hear—spoken in their own words.

This is a rare opportunity to witness the strength, courage, and sacrifice behind the uniform. Some veterans will also share personal photos to help bring their stories to life.

COME LISTEN. COME HONOR. COME REMEMBER. COME AND THANK THEM.

HELD AT 2ND CHURCH - 525 CHESHIRE DR.
